no more ugly hallways and drop
fluorescent ceilings

100,000 hours of clean light. Reduce your facilities maintenance bills, Reduce energy Consumption by more that 50%, & less A/C load, they burn cool. Light is consistent and even.

Joel Block , Owner , Growth-Logic, Inc. "...Gerald's work in the lighting industry has set the bar very high because his designs as well as his approaches to problem solving are so unique. He's creative, he's powerful, and he is well known in this industry. ... I regularly call .. to bounce ideas around because I always know that he'll provide great feedback,"

Why Customers Choose ADG for Eco Lighting Solutions.

ADG is a full service Lighting Specialty Collaborative.

- Collaborative has 3 generations of experience, 1000+ projects completed globally

Services range from Consultation to Productization:

Simple Steps

Always for the right solution

1. ADG initial discussion needs
2. ADG is retained to provide Energy Audits or Design Fixtures
3. ADG provides a Comprehensive Solution
 - a. Product needs are established
 - b. Financing available to create a net cash flow program
 - c. Cost Segregation Analysis by 3rd Party firm
This is where client's eligibility for Tax Rebate or depreciation is realized
4. ADG is paid by client to manufacture/ supply fixtures
5. Fixtures installed by ---To be determined

Your Applications are always special/ That is what we do

To establish interest in proceeding with a project: 🌍
