About our Process, ... ADG Eco's CEO and the TEAM have set the bar high because designs as well as approaches to problem solving are so unique.

Well known in the lighting industry ADG has designed and developed solutions for the most prominent properties in the world. Three billion dollars in real-estate have utilized SOLUTION BASED MANUFACTURED™ models developed by the team at ADG.

ADG does not "sell" you a product. Our Authorized Dealers and Factory at ADG engages with it's clientele for a solution that fits.

The Difference at ADG, The Case Study at Vara Chevrolet in TEXAS amazed even the Utility Company. 1,000 watt Metal Halide dropped to 150 watt ADG Eco High Performance Induction Fixtures. A TRUE USA © American Made fixture Manufacturer that surpasses others.
